

# SDHS Band Booster Minutes

## June 6, 2011

Denise Jones	Jim Volmering	Trish Easter
Stewart and Coleen Pruitt	Jennie Lamb	Mary Jo Thompson
Amy	Sharon Dishroon	Chuck Christopher
Laura Solyom	Jared Magee	
Anna Peebles	Jeannie Suttle	
	Sam Hall	

The meeting started at 7:12 by Chuck Christopher the minutes and financial report were voted on and passed.

For Nationals, we need to put our heads together and come up with fundraisers so students will not have to pay to go to National Competitions. The band will scale back on competitions this fall to save money for National in November. The mentoring program needs to be done for freshman parents.

Mr. Majors.

The band camp schedule is ready. The Fall Schedules looks a little different with less competitions and other things to save money. Freshman Band is going very well. He is excited about the year. Thanks to Laura Oakley, Mrs. Pruitt, Doug Stone and Beverly Stone for the help at the leadership retreat. We have 15 more students than last year. Students are encouraged to get out in the heat and Drink lots of water to prepare for band camp.

This year's show has props. There will be a throne on a platform that spins around. Mrs. Pruitt is looking into getting the throne. We need parents with

woodworking skills to help build the platform and 12 Roman columns. The columns will be 10 feet tall and will roll on field. We will need for them to travel easily. The trailer needs a sub floor to transport the props. We will need one more truck and driver this season before the first game.

Props will be started on in July. All crafty parents are needed for prop creation. We need repairs at the concession stand and a cleanup day before Band Camp.

Respectfully Submitted,

Trish Easter
