WWW.SDHSBAND.ORG

Welcome! Marching season is in full swing! Homecoming is September 21<sup>st</sup>!

## **Band Needs:**

- Thank you to all who stayed to do the trash pick up and concession stand clean up after the last game. We need to keep it up for our remaining home games.
- We need a couple of parents to help load coolers with ice and water bottles for our students to have at both home and away games.
- We need approximately 4 parents per home game to paper the concrete seating to protect the uniforms.
- Please see Jared Magee to sign up to help in either of these areas.

*Senior recognition night will be held during the homecoming game on October 19th. Band, cheerleader and football seniors will be recognized that night. Families of seniors are encouraged to attend and be recognized with the seniors. See Melissa Tiffin for more information.*

## **Concessions-Jeannie Suttle chair:**

- The following sections have a turn to work the concession during the September 21<sup>st</sup> game: *Trombone, Saxophone, and Percussion/Battery.*
- There is also a Finley parking event that night, and we are encouraging only those parents who are not working the concession stand to work the parking that night.
- We will be hosting a reception for Alumni band members on the 21st as well. Former members of the SDHS Marching Trojans will join our current members to play for the evening. Donations of canned drinks and homemade (or nearly homemade) baked goods are needed for the reception. Please see Jeannie with any questions.

## **Notes from the Treasurer (Carisa Gasaway)-**

- Remember Fair Share payments are coming up on September 15th.
- Remind your kids that the GREY BOX beside Mr. Majors' office is where payments need to be dropped. DO NOT DROP PAYMENTS IN THE RED BOX. No one has a key to the lock for this box. We are in the process of removing the red box to avoid the confusion.
- Next Australia payment is due October 15th.
