President's Notes: Delinquent account notices will be emailed/mailed out next week. Please make every effort to pay your student accounts in full by the end of the month.

Mrs. Pruitt's Corner:

On March 19th, the kids did a wonderful job at APSU. Their performance was great and they were able to adjust to the change in schedule with ease.

The search for a new Band Director is going well. The administration is on board with finding the best possible replacement for Mr. Majors. Mrs. Pruitt and Mr. Majors will be involved with the selection process. Although we don't want to see Mr. Majors go, this is a very exciting opportunity for him and his family. Also, the summer schedule will be sent out in May. There should be very little changes to it.
