Instructions: The smaller sections have been grouped together so there is approximately the same amount of students in each group. For those in Winterguard who also play an instrument, donate to the instrument group. Labeled boxes will be put in Mr. Light's old office for students to place donated items for baskets. Section leaders please check boxes everyday until April 25 (the deadline date for donated items) and please remind your section to bring in items. Deadline to turn in is April 25!

Wrapping Party will be either on April 26 and/or April 27. Working together to get great and unique items will make for great and unique baskets to auction off at the May 3 Spring Concert and will raise more money for the band from the community! Please contact Tammy Baxter at 423 309 3094 or tammyrb@epbicom with any questions or any donations that you may have for the silent auction.
