I would like to personally welcome you to Soddy-Daisy High School, Robert Talaska Field, and the Trojan Marching Invitational! I am so excited and grateful that you have decided to spend your Saturday watching and listening to the many amazing performers and performances that you will experience today.

I want to welcome all of the students and directors of all the bands signed up for the Trojan Marching Invitational. We are excited to host you and cannot wait for your performance. I hope that your experience here will be one of the most rewarding of your band career. I want you to not only have an amazing performance, but to also have an educational experience with the comments that you receive from our judges. I hope that everything you do today helps to cement in your mind how special this activity of band is in your life! Enjoy yourself, cheer on the other groups, and make memories that will last a lifetime here at the Trojan Marching Invitational.

Upon arriving at Soddy-Daisy High School, I found that one of the perks of working at such a great school is the ability to get to perform in our fantastic stadium at every home game. Not only do we have excellent facilities, but our band parents at Soddy-Daisy HS truly want to give all the band students in Hamilton County the ultimate band experience they can have. With these things in mind, we decided to host our own marching contest to give band students from all over our area the opportunity to perform their amazing shows in our stadium and to serve them, their directors, and their parents and fans to the best of our ability. We are so excited you are here and will do everything we can to make your experience the best we possibly can.

I want to also say **Thank You** to the many people who have made this event possible. First, the Soddy-Daisy Band Parents and their countless hours of help they provide to make our students successful. Without you, this event would not be possible. Another **Thank You** to the administration and leadership of Soddy-Daisy High School whose constant support and help allow us to provide all of the educational opportunities and experiences for all of the students at Soddy-Daisy High School. Finally, **Thank You** to the band students of Soddy-Daisy HS for your tireless work, passion, and dedication to this event and our program.

If there is anything that we can do to enhance your experience, please feel free to let one of our parent volunteers or staff know. The motto of our band program, our booster program, and everything we do is to "Make It Better!" and we want to share this motto with you. We hope that you enjoy the Trojan Marching Invitational and that you and your band will choose to join us year after year for all the many wonderful performances you will see today!

Musically,

Joshua Light
