The Disney trip was a success. Students were well-behaved and it was probably the easiest trip Mr. Light has taken with students. Bus drivers were super complimentary and said we were the most professional group they have driven for in a long time. Hotel guests were even impressed with the level of respect our students show. The recording, due to copyright laws, is only available to be used as an educational tool for students. Mr. Light personally wants to thank chaperone and students for all they did to make it great.

Mr. Light has applied to play at the National Concert Band Festival in

Indianapolis, Indiana March 13-15. We will find out later if we are accepted. This will be for the Wind Ensemble.
