Moment to brag from Mr. Light:

We were the only band that played in the rain at Huntsville. 3rd place overall for music. 6th place for visual effects. They have been a great group of kids to work with and are to be commended for their level of respect and hard work. Special thanks to them. Also special thanks to parents who volunteered through the marching season. It takes all of us to make this program work. Mr. Light cannot do this on his own and he truly appreciates all of the hard work and dedication. Thank you for supporting your student. They notice you are here. They notice what you do. Mr. Light encourages you to continue to do what you do.

b. Questions from boosters?

Is there a way to communicate easier than through email or the website?

We try to communicate in as many ways as possible to reach families. Sometimes emails are kicked back. We use Facebook, text, email, and the website.

Jody Whitmire made a motion to adjourn the meeting. Jen Tindell seconded the motion. The meeting was adjourned.
