July Executive Board Meeting Minutes

Date: July 11, 2017
Time: 6:00pm
Location: SDHS band room/Mr. Light's Office

ITEMS DISCUSSED:

- Mr. Light items:
Band Show Shirts were ordered and should arrive before Preview Night of July 27. Fan Cloth form submitted. As of July 11, approximately 40-50 students had still not filled out on-line form. Planning for possible Spring Band trip discussed. Most "Away" Games will be Pep Bands with the exceptions of the Signal Mountain and Hixson games, unless those games would prevent SDHS from performing due to Senior night or similar. Fall Exhibition to be held at SDHS (instead of Ooltewah) this year for more personal attention and guidance for the students.
- The Color Guard uniforms arrived on July 11, 2017.
- Discussed Preview Night/BBQ Fundraiser is July 27. There will be a Notary available for sure and other various board member action items are necessary – tickets, signs, etc...
- Concession Repair Budget needs changed from \$500 to \$1000 to cover the replacement of the water heater (\$750) and to allow for purchase of an industrial can opener (\$98). A motion was made by Tammy Baxter to change the Concession Repair Budget, David Lowrance seconded the motion.
- It was suggested to change monthly Booster Meetings from monthly to bi-monthly for convenience and possibly better attendance. A motion was made by David Lowrance to change full Booster Meetings from monthly to bi-monthly while maintaining monthly Executive Board Meetings. Tammy Baxter seconded the motion.
- There is no Booster Meeting for July due to Drop-In.
