

# **Soddy Daisy High School Band Boosters Meeting Minutes November 7, 2022**

---

## **Call to Order**

Elicia Cruz called to order the regular meeting of Soddy Daisy High School Band Boosters Executive Board at 7:00 p.m., November 7, 2022 in the SDHD Band room. In attendance were Light, Grainger, Cunningham, Cruz, Suttles, Bullock, Jody Whitmire, Walton, Mulder, Schug, Williams, Gonzalez

## **Reading and approval of previous meeting's minutes**

Deidre Gonzalez approved minutes. Mandy Suttles seconded. Minutes were approved as read.

## **TMI Debrief**

NO STUDENTS ARE EVER ALLOWED TO DRIVE A GOLF CART OR MOTORIZED EQUIPMENT.

Concern about golf carts being left unattended with keys in the cart and anyone could jump on and take off. Suggestion for next year is to assign certain people to carts, take the key out when exiting the cart.

Pre TMI handouts were fabulous. Parking, description of jobs, etc. were very helpful.

Christy in hospitality was very pleased with Publix catering. The cost was ½ the price of other caterers.

Parent concern was that the hospitality areas were not clear as to who was to eat in the library and who was to eat in the commons. Next year, clarify that the commons area is for the students and band parent/volunteers. The library is for band directors, bus drivers and band staff.

Parent heard from people outside our school about how organized the competition was and commended us for a great job.

Technology- more chargers, more cables that are the correct cables for the ipads, more cordless card readers.

David Karnes did great and is already booked for next year.

October 23, 2023 is the date for next year.

When electing officers, make sure they are aware of the upcoming events for the year so they are able to make plans for the entire year.

Jody will get Angel to upload the pictures up on the band Facebook page.

Looking to set up a webpage for the silent auction. If anyone has any background in that area, contact Jody Walton. The silent auction is in May so we have plenty of time right now.

### **d. Concessions**

Mandy called Coke to have them come get leftover unopened cases.

The cooler in the Snack Shack is currently running on an extension cord. Mandy plans to get it moved over to the main concession.

Richard cleaned grilled well and is looking for replacement parts for flat top grill.

We have granola bars left over that were being saved for the Huntsville competition but since it was cancelled, we will do a grab and go at the performance Tuesday night.

Mr. Light wants boosters to consider moving booster meeting from first Monday to last Monday of the month. Mr. Light has conflict with another committee where he meets downtown and it meets on first Monday of the month also. Bi-laws would have to be changed in order to change the date.

### **b. Questions from Boosters**

The video on the home page is from many years ago. Is it possible to update the video? The video was donated to the band. It is a high quality, expensive video. We can look at getting new footage in the future. The purpose of the video is for marketing our band. The quality is important.

A motion was made by Jody Whitmire to end the meeting. Tracie Bullock seconded the motion and the booster meeting was adjourned.
