Old Business

Minutes – Diane reviewed the minutes from the September meeting. A motion was made by Jennifer Whitmire to approve the minutes from the September Booster Meeting with a second by Stephanie Ott. Motion carried.

New Business

Treasurer's Financial Report – David Lowrance reported on the current finances in the Booster account including the money collected in concessions from the first home game. Mr. Light reported on the current finances in the School account. Leigh Mitchel motioned to retain the report in the records. The motion was seconded by Jill Crawley. Motion carried.

Volunteers– Diane talked about all of our great volunteers for games, Ironman and A Bradley Classic. She brought up the need for food donations for TMI as well as volunteers for the last shift. She requested that adults who are signed up for the early shifts change their sign up to a later shift so more students could work the early ones. It was noted that all stations will close during our band's performance so no one would have to miss it.

Concession Stand – Jen Tindell reported that despite the weather delay at Homecoming, we had a comparable week to our other home games, and more profitable than last year.

A Bradley Classic Review - Mr. Light talked about how pleased he was with our performance at the Bradley Classic. The kids got to hear the judges comments and have things to work on to improve. A member of the Blue Coats watched our warm up and said we had the most professional warm up of all the bands and was very impressed.

IronMan Review - We had a great turnout for the aid station. We had a record number of wristbands given to our aid station by athletes. Props go to Mrs. Pruitt who was there the entire day! A big thanks to the Triplets for all of their hard work as well. Greg will give us an update after the volunteer party of any awards or special mentions we may have received.

Fan Cloth - The Fan Cloth items have still not shipped as of this meeting. Mr. Light sent an email which he read at the meeting, along with the response from Fan Cloth. They will be sending out letters to everyone who ordered apologizing for the delay.

Upcoming Events

Discount Coupon Cards - All money and/or unsold cards are due Friday, October 4th!

Hixson Game - Friday, October 4th is an away game at Hixson. The full band and color guard will travel to this game. They will perform the show at halftime instead of after the game which is a change from what we previously thought.

Fall Break- There is NO THURSDAY PRACTICE this year during fall break. That will most likely change next year as we will have a home game.... FYI.

Away Game at Signal Mountain - Friday, October 11th is an away game against Signal Mountain. This falls during Fall Break! We will take a pep band to this game, a sign up sheet is posted in the bandroom.

TMI - The sign ups for the Trojan Marching Invitational are up on the website. Participation is mandatory! We need more students to sign up for the early shifts, as a result, we will need some adults to change their shift to a later one.

TMI Planning Meeting - This Thursday, October 3rd at 6:30, the executive board will be meeting to discuss the details of our competition in depth. Mr. Light is opening this meeting to all boosters who would like to come.

Next Home Game - Our next home game is Friday, October 25th against Bradley Central. This will also be 8th grade night.

Junior and Senior Clinic - The music is posted for both clinics. If your student is interested in auditioning, they need to get the music and sign up with Mr. Light.
