Soddy Daisy HS Band Families,

As we start to near February, it is time for our Strawberry Sale. This sale will help raise much needed money to benefit your student and help fund the band for the rest of the year. It is crucial that each family does the absolute best they can to help with raising funds for our band program.

The Strawberry Fundraiser helps to add funds into each student's account. We sell the 6.5 pound flats of strawberries for **\$22.00 each**. This fundraiser in the last couple of years usually has generated a 40% profit to the band program. 100% of the profit for each flat of strawberries sold will go into your student's account. This means for each flat of strawberries sold, your student will receive \$8.80 into their student account!

This year to help the band meet the needs we are anticipating, we have set a goal for each band member! We are asking that each student try to sell **10 Flats** of Strawberries. This will deposit **\$88.80** into each student's account and be a great start to the new year and help student's pay off band fees/winter guard fees for this year or get a head start on band fees for next fall. Last year, we had student's who sold enough to completely pay for their band fees for the upcoming year!

Students should collect all monies when people place their order. Strawberries will be delivered sometime in March.

*All checks should be made out to **Soddy Daisy Band Boosters.***

***ALL ORDERS AND MONIES ARE DO TO THE BAND OFFICE ON
MONDAY, FEBRUARY 13th.***

We hope to have a very successful fundraiser this year and with each student doing their part, we can achieve our goal! Thank you for your continued support of the Soddy Daisy High School Band and Music Education!!

Joshua Light
Director of Bands
