Monday – March 11, 2024

Wear comfortable clothes to travel in. We will stop to eat for lunch. We cannot check into the hotel until later that day. We will be going to Disney Springs so a change of clothes for Planet Hollywood would be advised. Nothing fancy.

Tuesday – March 12, 2024

We will be starting the morning doing our Studio Clinic. We ask that all students wear summer uniform (Show Shirt and Khaki Shorts). Following the clinic, we will be inside the Epcot park all day. You may pack a change of clothes to change into once you get inside the park.

Wednesday – March 13th, 2024
We will spend the day inside Animal Kingdom today. Park dress.

Thursday – March 14th, 2024
We will spend the day inside Magic Kingdom today. Park dress.

Friday – March 15th, 2024
We will spend the day inside Hollywood Studios today. Park dress.

Saturday – March 16th, 2024
Wear comfortable clothes to travel in. We will stop to eat for lunch.

Park clothing – I would suggest that students travel in clothes that dry easily and are light. I would suggest shorts/sweats/leggings, and t-shirt or long sleeve t. Shorts or pants should have pockets and students might want to carry some kind of small bag to be able to hold tickets, money, etc. I would also recommend having some kind of jacket and a poncho as we cannot predict what the weather will be and the forecast calls for light showers at least 1 day.
